

Managing Behaviors at Home Beyond Visual Schedules

Wednesday, March 18, 2020

6 pm – 8 pm

Does your loved one have challenging behaviors at home? Are you looking for new interventions beyond visual schedules? Join us for a free class to help caregivers implement practical tools, and positive supports at home.

YOU WILL LEARN:

- Possible reasons why behaviors are occurring at home
- How to lessen negative behaviors and increase positives
- Strategies for different age groups
- How the whole family can help

SPEAKER: Rachel Torrance, M.Ed, BCBA, COBA
Owner and Executive Director at Accessing Abilities, LLC

Planning Support Provided by:

ICAN City of Independence
