## Pre-COVID-During COVID

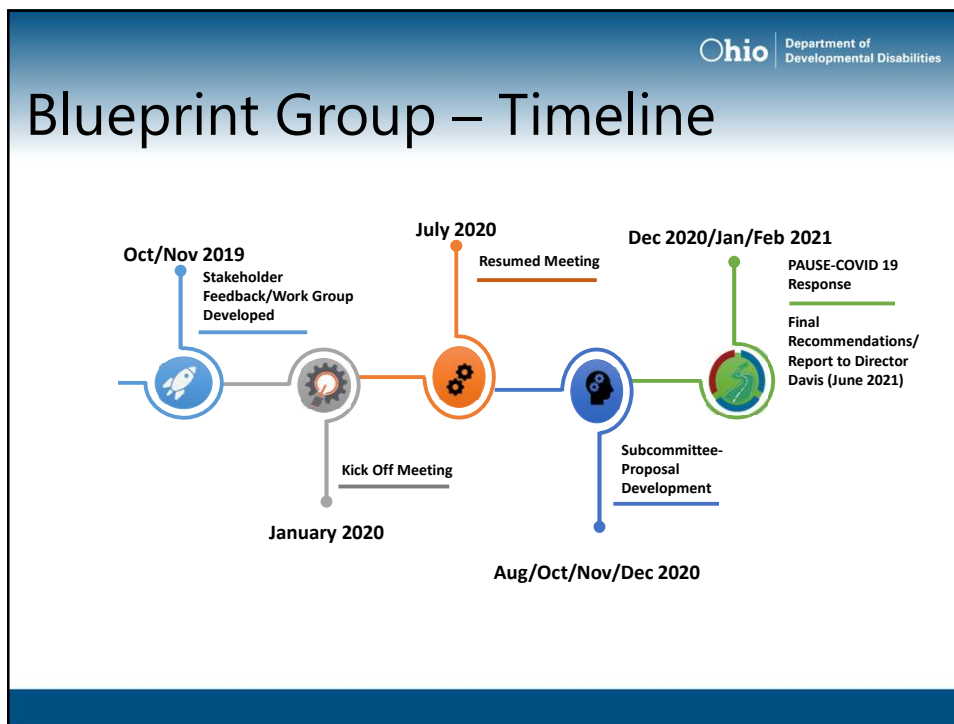

- **Quarter 1** (January-March 2020)- 28,371 people receiving adult day array services. 1,183 providers delivering these services.
  - This includes work, non-work, and transportation services.
- **Quarter 3** (July-September 2020)- 17,030 people receiving adult day array services. 1,073 providers delivering these services.
- **People Impact-** more people are receiving services at their homes and by their families.
- **Provider Impact-** DODD has started an analysis of day providers to better understand impact. Biggest impact to independent and non-medical transportation providers.
  - Many have changed the services they deliver. Large shift to home-based services

The diagram illustrates the components that support 'Services Available'. The central blue circle is 'Services Available'. It is surrounded by eight other circles, each connected to the center and to its neighbors in a ring. Starting from the top and moving clockwise, the nodes are: 'Emergency Response' (orange), 'Flexibility in Hiring/Training' (grey), 'Flexibility in Setting' (yellow), 'Flexibility in Service Delivery Mode' (blue), 'Reimbursement' (green), 'Individual Risk/Benefit Discussions' (orange), 'Provider Assurance Process' (grey), and 'General Mandatory Requirements' (yellow). Two inset photographs are included: one of a provider wearing a blue and red mask with a white 'F' on it, and another of a smiling woman with glasses sitting in a car.

## Charge

The Work Group will generate a report with recommendations by **December 31, 2020 (June 2021)** that advises the Director of DODD on implementation strategies to improve adult day services, transportation services, and increase competitive, integrated employment outcomes.

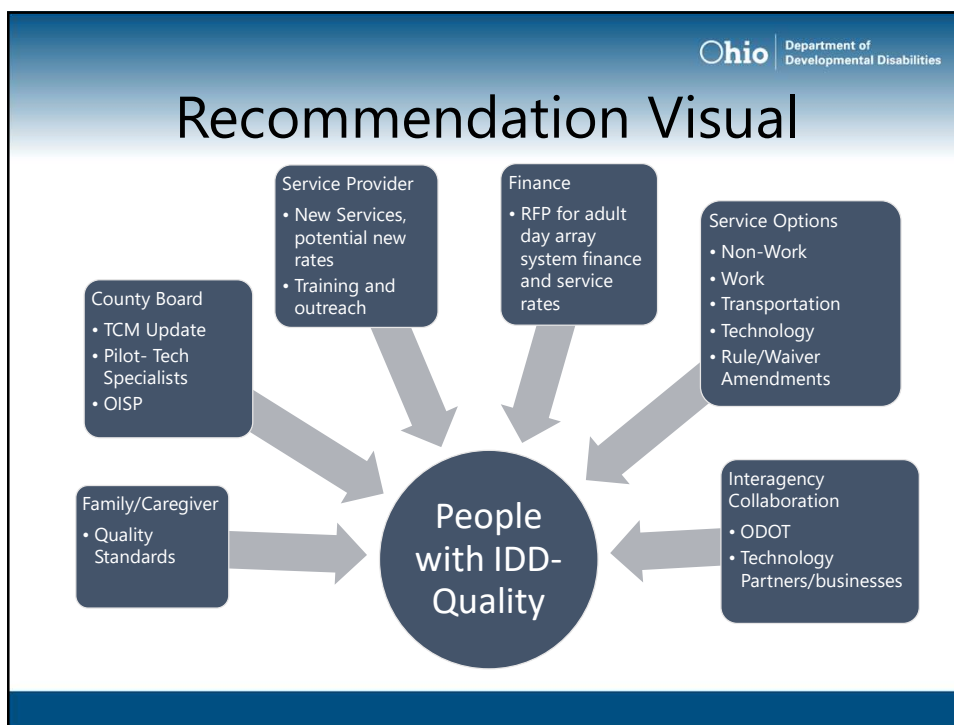

6

**Ohio** Department of Developmental Disabilities

## Emerging Themes

-  Overall financing of ADS and Transportation
-  Eliminating or replacing the Acuity Assessment Instrument (AAI)
-  Establishing service bundles / packages
-  Wrestling with how to dramatically advance technology, community involvement, competitive employment at a lower per-person cost
-  Refining current services or adding new services; all involving higher rate reimbursement
-  Impact of pandemic is shifting the field and the provision of services at a fast pace

7

8

## Priority Items

- Across adult day, employment, and transportation increasing concern that people with the most severe disabilities are being left behind
- Workforce issues (recruitment, retention, training, and professional development)
- The system must build bridges and connections between individuals and families served, all service and community partners
- Simplify the services and improve system efficiency
- Balance between fiscal sustainability and individuals attaining a meaningful life
- Families need to have flexible and clear options for proper support
